SUMMARY

Computer Science Engineering graduate from Chandigarh University, I have developed a diverse skill set that includes proficiency in a wide range of programming languages, such as Python, HTML-CSS, SQL, JavaScript, and React.js. Additionally, I have experience in Advanced Excel, DBMS, Data Analytics, and Cybersecurity. During my internship at Goodera, I had the opportunity to work on several projects, including migrating dashboards, building business requirement documents, creating workflows, and deploying SQL snippets on their platform. I am also a certified Google Data Analyst and IBM Cybersecurity Analyst. In my free time, I enjoy freelancing as a subject matter expert in Computer Science for Chegg. My passion for technology, curiosity to learn, and dedication to excellence make me an ideal candidate for any team.
